

2026 HOPE STREET FAMILY REUNION

Greeting from Hope Street!

Here at the Greenhouse for People we protect our community from outside elements, we cultivate hope and we grow together. This is intentionally done through relationship building and life skills development. The environment is such that everyone is given the opportunity to develop new habits that will long outlast their time at Hope Street. We want to invite you into this process!

We are redefining family. About 2000 years ago a Jewish carpenter named Jesus said, “whoever does the will of my Father is my family”. He re-framed family by obedience, not blood. Our members are breaking free from addictions, difficult circumstances, and broken families; together we are choosing to grow a real relationship with one another and our one true Father.

I am so excited for Hope Street to host its 10th annual, “Family Reunion”, a fundraiser to be held on Friday, October 16th at The Ingleside Hotel. This special event will answer the question, Why a Greenhouse? It will be an evening you won’t want to miss.

We are depending on you, members of our community that are devoted to our Hope Street family, to help assure the success of this event. Here are some tangible ways that you might consider becoming involved:

SPONSORSHIP- See Sponsorship Level form (enclosed) which lists benefits for each sponsorship level. If you cannot attend, this is a great way to still support Hope Street and the event.

SILENT AUCTION- We are looking for baskets, items, gift cards, sporting tickets and other unique experiences to add to our silent auction this year. We are grateful for the you choosing to support us this way in the past!

SHOW UP - A Family Reunion is only a reunion if the family has shown up. We invite you to join us. Purchase tickets early as we anticipate selling out. No tickets will be available at the door.

Thank you in advance for the ways that you will join us to make this fundraiser successful! We are counting on your generosity and support. Together we can continue rewriting the narrative of our city by building one solid community at a time.

Mark your calendars and stay tuned for more details. We look forward to hearing from you!

Thankful,
